Description: Max the Minnow's adventure to become a great big fish is made even more exciting in this colorful board book by the lenticular eyes that move when viewed at different angles. An ocean adventure has never been more exciting! Max the Minnow gets an eyeful when he comes out of hiding and braves the depths of the ocean to become a big fish. All the fish...

Review: I have purchased this book many times before as baby gifts and am so disappointed about what I received today. Previously the eyes were like large googly eyes that wobbled around. These are not that at all. Even the description says two tightly secured wobbling eyeballs. Now it is just flat eyes that use lenticular printing. So boring! So disappointing!...
